

## LISA'S REQUIREMENTS

### Keynote presentations (200-1000 people) - Event Organiser

- PowerPoint slides supplied on a USB stick.
- Sound check is compulsory prior the event
- Lisa provides an introduction in her media kit.
- Lisa requires a dressing room for preparation with access an hour before the event.
- Room temperature bottled water
- Merchandise table to be applied where appropriate

### Stage Setup - Stage Manager

- Please have a lectern placed to the far stage right.
- Small Table to the centre of the stage with enough room for props, Water Glass & Bottled Water

### Microphone - AV Personal

- Lisa Supplies her own Headset
  - Radio Microphone: DPA 4066 OMNI ready to plug into the AV on the day.
  - Catch Box – PROP – Plug into AV
- Roving Radio Microphone for Q & A Session.

### Sound System – AV Personal (If Required)

- iPod Playback (2 x DI Channels - 3.5mm Cable)
- Computer Playback (2 x DI Channels - 3.5mm Cable)
- 2 x Fold Back Wedges (single send)

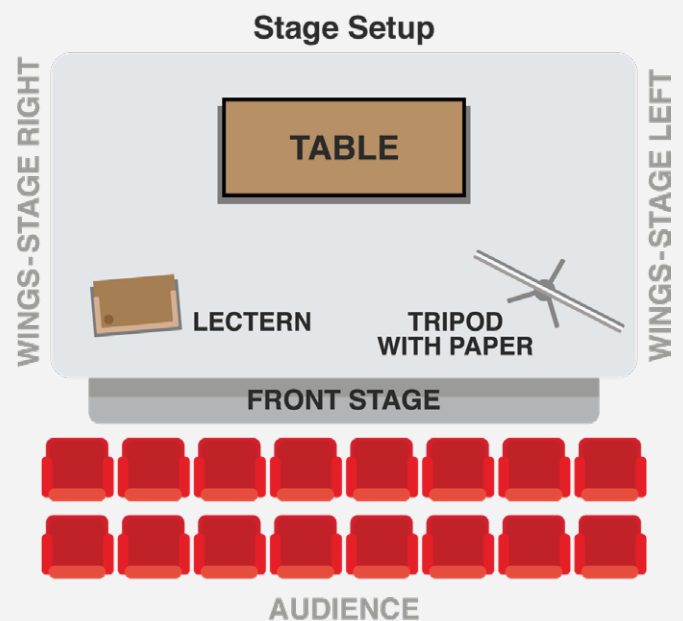

- Reverb system for Vocals
- Internet option for accessing live links

### PA System

A high powered PA system that provides adequate coverage of audience, allowing for correct balance between backing tracks and vocal performance with no distortion.

Lisa has a Classical Soprano voice with a very large dynamic range.

- Dynamic compression on the vocals should be kept to a minimum as dynamics are an integral part of the performance.
- Reverb should be used to help support the vocals and removed for the speaking elements of the presentation.

# Lisa Lockland-Bell

KEYNOTE SPEAKER | COMMUNICATIONS EXPERT | TRAINER

## SHORT INTRODUCTION (TALKS LESS THAN 10 MINUTES)

Lisa Lockland-Bell is an **Authority** in **Vocal Communication**. Her ability to **Diagnose**, **Heal** and **Reveal** the potential that lies within each human voice is **Spectacular**.

Lisa is a respected Keynote Speaker, Vocal Coach, Author and Thought Leader: With over three decades of experience, her unique perspective on vocal communication forms the foundation for her skill based speaking and training programs: challenging individuals to develop their **Vocal Intelligence**, **Brand** and ability to **Monetise** their voices. Passionate about building confidence Lisa's mission is to change results one tone at a time.

## FULL INTRODUCTION (FOR KEYNOTES)

Lisa Lockland-Bell is motivated by one **core belief**... That there are no irrelevant vocal tones: that every nuance and inflection is part of something bigger; that the only way to develop solid relationships and change results that will determine **STANDOUT** growth: is to build a model of vocal tones that moves you from just connecting, to **where you want your listener to BE!**

Lisa's focus is on your ability to create a voice that delivers a **LEGACY** of results. Lisa believes in flexibility, techniques, mindset and frameworks must all co-exist with application and practice.

Lisa is about to take you on a sensory experience guiding you through a strategic plan, diagnosing, manipulating, liberating, strengthening and developing your ability to **communicate with ease and grace**.
